

Appl. No. : **09/928,977**
Filed : **August 13, 2001**

REMARKS

By the foregoing amendments, Applicants are (1) amending the abstract and summary sections to provide greater consistency with the allowed claims, and (2) correcting minor typographical omissions discovered in claims 45, 57 and 91, as amended by the Examiner's Amendment included with the Notice of Allowance. No new matter is being added.

As noted in Applicants' Interview Summary above, the Examiner's Amendment misidentifies claim 45 as claim 1.

By amending and authorizing amendments to the claims, Applicants are not disclaiming any subject matter. Applicants reserve the right to pursue claims that capture any subject matter supported by the application's disclosure via a continuing application and/or other related applications.

If any issues remain, the Examiner is invited to call the undersigned attorney of record at this direct dial number of 949.721.2950.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
